Mr. Bobby Harmon

2920 Ala Ilima St. (#1103)

Salt Lake, Oahu, HI 96818

Dear Bobby,

Rather than let ourselves get up to the edge of the next deadline, which without referring to the file I believe to be 5/7, I'd like to resolve the question of where we're going sooner rather than later. As long as I'm on as counsel, I have to have Robin start typing their questions and requests onto the computer (court rules require your response to set forth the questions or requests, in addition to your responses) on Thursday and Friday.

If you haven't been in touch with Sandra Wicklien, and if you're at all considering taking Katz's proposal, then you should do that with haste. We don't have much time, and I don't think that we can get extensions.

Also, as we've discussed previously, you should now be working on responses to the discovery requests, preferably on your computer using WPWIN.

I'll wait to hear from you. In the meantime, as always, best regards.

Very truly yours,

JOHN D. MARSHALL
