RE: ALPS Claim No. B023134; Harmon v. Tamm, et. al.

Dear Mr. Harmon:

We have reviewed your letter dated October 29, 2002. We have a difference of opinion as to the merits of your claim against Mr. Tamm or Mr. Dunn. We disagree with your conclusions as we have set forth in our previous correspondence. We are pleased to see that you have sought legal counsel, and we hope you continue to seek such advice. If you or your future counsel believe there are facts which would change our evaluation, please provide that information to us, and we will re-evaluate this matter.

As previously stated in earlier correspondence, this letter is not intended as legal advice. You need to do what is necessary to protect your interests and to preserve any claim you believe you have against Mr. Tamm or Mr. Dunn.

Sincerely,

ROBERT S. TAMELER
Western Region Claims Attorney
