Re: Mary Loy Woo, Trustee v. Bobby N. Harmon  
Case No. 74 166 00491 03 JUSC

Dear Mr. Harmon:

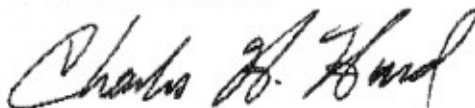

I am responding to your various correspondence and copies of different documents, beginning with a letter of October 2, 2003 to me. These materials came in, during my absence from Hawaii on a vacation.

I am not interested in representing you in this matter. In addition to Mary Lou Woo, Judith Neustadter Fuqua and others, it appears that at least some of your complaints refer to the law firm of Alston Hunt Floyd & Ing. Some of the attorneys in that firm are close personal friends of mine and I am not interested in representing anybody who has a complaint against the law firm or those attorneys, regardless of the merits of the case.

Please stop sending me materials.

Sincerely yours,

HURD & LURIA

Charles H. Hurd
